

# Biblical Worldview & Apologetics

## A SURVEY OF CHRISTIAN APOLOGETICS

9<sup>TH</sup> - 12<sup>TH</sup> Grade/Full Year Course

1 Elective Credit

### Course Description:

A survey of Christian apologetics based on the *"Understanding the Faith"* curriculum from Summit Ministries. The course focuses on theology and giving "reason(s) for the hope" we have in Christ (1 Peter 3:15).

### Course Benefit:

The understanding of absolute, objective truth has been largely lost in today's culture. Students who take this course will gain a better understanding of God and his world while growing in their ability to defend and promote the biblical worldview against a myriad of detractors. As a result, they will be able to share their faith intelligently with unbelievers.

This course will discuss key questions like:

- *Does the Bible have authority?*
- *Isn't claiming truth intolerant?*
- *Isn't Christianity anti-science?*

### Course Cost:

- \$20 deposit (non-refundable) due at registration
- \$165 due on the first day of class in September
- \$165 due on the first day of class in January

If a student needs to drop the class during the first four weeks, tuition will be refunded on a pro-rated basis. No refunds will be given after week four.
